SUMMARY

#### **SUMMARY OF CHANGES & COMMON PROBLEM AREAS**

#### **NEW**

A personal compensation deduction worksheet has been developed for proprietors and partners to calculate and support the compensation for personal services deduction allowed on proprietorship and partnership returns. The PROP-COMP worksheet (page 40) may be used by proprietors and retained for their records. The PART-COMP worksheet (page 54) may be used by partners and retained for their records.

#### E-FILE

Access e-file at www.revenue.nh.gov to make your Business Profits Tax, Business Enterprise Tax, Meals and Rentals Tax or Interest and Dividends Tax estimates, extensions, returns, and tax notice payments on-line.

#### NO EXTENSION OF TIME TO PAY TAX

An extension of time to file your return is not an extension of time to pay the tax due. An automatic 7 month extension of time to file your return will be granted, however, interest will be applied and penalties shall be assessed if 100% of the tax determined to be due has not been paid by the due date of the tax. If the calculation on your extension indicates no additional balance due, please do not file an Application for Extension.

Access e-file or use Form BT-EXT for Business Taxes if you need to make an additional payment in order to have paid 100% of the tax due by the original due date.

When you calculate the tax on your return during the extension period, if the tax balance due is greater than zero, then you did not pay 100% of the tax by the original due date and interest will be applied and penalties shall be assessed. Do not file a request for an extension if no money is due.

To request an abatement of any penalties that may be assessed, please attach a letter and any supporting documentation (e.g. work papers for said calculation, change of status, etc.) to the front of the return when filed. As long as 100% of the tax due has been paid by the original due date, you have an automatic 7 month extension of time to file the return.

Even if you have filed a Federal and/or State extension, it is not necessary to attach a copy to your return.

#### BT SUMMARY STEP 2 - QUESTIONS MUST BE ANSWERED

Failure to answer questions in STEP 2 of the BT-Summary may result in inquiries from the Department which MAY generate late filing penalties.

#### **BUSINESS ENTERPRISE TAX FILING THRESHOLDS**

The filing threshold for the Business Enterprise Tax is \$150,000 of gross business receipts from business activity everywhere or \$75,000 of the enterprise value tax base.

#### **BUSINESS PROFITS TAX FILING THRESHOLDS**

The filing threshold for Business Profits Tax is gross business income in excess of \$50,000 from business activity everywhere.

#### **INTEREST RATES**

Annually the calendar year interest rates are established by RSA 21-J:28. Effective January 1, 2007 through December 31, 2007, the State of New Hampshire interest rates, applicable on taxes administered by the Department of Revenue Administration, will be 10% for underpayments and 7% for overpayments. Interest is calculated on the balance of the tax due from the original due date of the tax to the date the tax is paid.

PERIOD	INTEREST RATE FOR UNDERPAYMENT OF TAX	INTEREST RATE FOR OVERPAYMENT OF TAX
1/1/2007 - 12/31/2007	10%	7%
1/1/2006 - 12/31/2006	8%	5%
1/1/2005 - 12/31/2005	6%	3%
1/1/2004 - 12/31/2004	7%	4%
1/1/2003 - 12/31/2003	8%	5%

#### FEDERAL DEPRECIATION AND NEW HAMPSHIRE RECONCILIATION

President George W. Bush signed PL 107-147, the "Job Creation and Worker Assistance Act," also known as the Economic Stimulus package and PL 108-27, Jobs Growth Tax Relief Reconciliation Act of 2003. Under these laws, there was a change to federal business taxpayer filings for 2001-2004 calendar year returns which included bonus depreciation of the cost of capital assets placed in service between September 10, 2001 and January 1, 2005 or January 1, 2006, for certain assets.

The New Hampshire Legislature has not changed the current business tax laws to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if these changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits. Since, under current New Hampshire law, the bonus depreciation and the additional IRC Section 179 expense is not allowable, business taxpayers will have to adjust the taxable income reported on their federal return before reporting their gross business profits on their New Hampshire business tax return. The adjustment will require the removal of the federal depreciation and IRC Section 179 expense authorized under the "Job Creation and Worker Assistance Act" and only allow depreciation and IRC Section 179 expense as provided under the IRC in effect on December 31, 2000.

Schedule R has been provided in this booklet for each business entity type to assist businesses in recalculating their New Hampshire Gross Business Profits. The completed Schedule R must be filed with the corresponding New Hampshire Business Tax return.

	"Gross business income" means all income for federal income tax purposes from whatever source derived including but not limited to: total sales, total rents, gross proceeds from the sale of assets, etc., before deducting any costs or expenses. Even if there is no profit, a return must be filed when the gross business income exceeds \$50,000. You must determine whether or not you are required to file for each tax independent of your filing requirement for the other tax. THE BUSINESS TAX SUMMARY VERIFIES AND UPDATES BOTH THE BUSINESS ENTERPRISE TAX AND/OR THE BUSINESS PROFITS TAX RETURNS.
